dear dr hussein:

review of your article, "**Examining the Methods for Investigating Behavioral Clues of Special-Schooled Children**," is complete.

your article is accepted for publication in FIELD METHODS.

your article is tentatively scheduled for volume 27(1), 2015.

your article will appear in advance of publication in the online-first space of the journal's website, at [fm.x.sagepub.com](http://fm.x.sagepub.com).

we will be in touch next when we prepare your article for publication.

thank you for giving us the opportunity to review your work.

with regards,

russ bernard
