Welcome to Pathology Update 2014 – Melbourne and the Masters

On behalf of the College Council, Pathology Update 2014 Overseeing Committee and the Scientific Program Committees, it is with great pleasure that we welcome you back to Melbourne and what promises to be an exciting three days of cutting edge research and updates in your discipline.

The scientific committees have worked extremely hard to develop an interesting, informative and entertaining program, and we hope we have managed to provide “something for everyone” – including fellows, trainees, scientists, and other healthcare workers. Pathology Update aims to be the best Australasian pathology multi-disciplinary scientific meeting.

We would also like to thank all our speakers for their hard work in preparing their presentations – we couldn’t do it without you!

We are proud to be hosting over 140 local and six international speakers who are leaders in their fields over a busy three day scientific program.

As well as enjoying the scientific sessions, please make the most of the opportunity to meet with colleagues and share issues of interest. Make new friendships and renew old ones at the Welcome Cocktail Party and join us for the pathology industry dinner of the year at The Melbourne Museum and find your inner James Bond.

We would like to thank our all our sponsors and exhibitors. This meeting could not take place without their continued financial support and we ask you to acknowledge their support by visiting all the booths on Level One.

We also recognise the continued support of the all the Major and Supporting Partners.

Pathology Update would not be possible without the support of our sponsors and exhibitors and we encourage you to visit each booth.

We want to congratulate the Chairs and the Members of the nine Scientific Program Committees that coordinate the program for Pathology Update 2014. We thank them for their dedication and commitment to Pathology Update and in advance acknowledge their contribution.

Enjoy your Masters!

**Pathology Update 2014 Delegate Information**

**Pathology Update 2014 App**
Check out the Pathology Update 2014 APP on any smart phone or tablet by entering this url: update2014.mobi into the address bar in your browser. Please see the app for all speaker abstracts, bios and photos and to view program by time and track. Visit the App Concierge Lauren at the registration desk if you have any questions. There is complimentary WiFi at the Melbourne Convention Centre.

**MCEC Wireless Internet Access**
This services requires individual users to subscribe (free of charge) to the service via a login page agreeing to a set of terms and conditions. Individual users will need to re-subscribe (free of charge) to the service after 12 hours or once the 100MB download limit is reached.

**How to access the service**
Connecting to the wireless network will be different depending upon the device being used.
Delegates will need to complete the following steps:
1. Select the MCONNECT wireless service as they would normally do using their wireless device
2. Open their preferred internet browser (safari, Firefox, explorer etc.)
3. Complete the information on the log-in page that will appear in their browser (see below).
4. Select ‘Generate Account’
5. Select ‘Login’ on the guest account page
6. Read the terms and conditions page and choose accept in order to connect.
7. Commence using MConnect

**Certificate of Attendance**
A Certificate of Attendance has been provided for all attendees at Pathology Update 2014 in the Pathology Update 2014 Delegate Bag.

**Electronic Devices**
Pathology Update 2014 would greatly appreciate all electronic devices (mobile phones, pagers, pocket pc and blackberries) to be on “silent” during session times. Visual and or audio recording of any scientific sessions is strictly prohibited.

**Media**

s2i Communications  www.s2i.com.au
Linsey Brown  Senior Account Director & GM  S2i Communications 02 9231 2927  Linsey@s2i.com.au  0425 514 005
Georgy Searles Account Manager  S2i Communications 02 9231 2927  Georgy@s2i.com.au  0417 764 587

**Messages**
All messages received during the event will be displayed on the message board near the registration desk.

**Lanyard**
All delegates will be given a neck wallet on registration. Please wear your neck wallet at all times during the conference, as it is the official entrance pass to all sessions, exhibition area, teas and lunches each day.

**Location and Venue**
The Melbourne Convention Centre is located at South Wharf, Melbourne.

**Pathology Update 2014 Registration Desk Hours:**
- Friday  21 February 2014  8.00am – 5.00pm
- Saturday  22 February 2014  7.00am – 4.00pm
- Sunday  23 February 2014  8.00am – 3.00pm

Industry Exhibition: Level 1  |  Scientific Sessions: Plenary 1 & Level 1

**Pathology Update 2014: Post Conference CD**
A CD is being produced for Pathology Update 2014 which will contain the presentations (where permitted by speakers). Please note this CD will be mailed to delegates after the event (and will not contain audio), and will be sent to all registered Pathology Update 2014 delegates by May 2014.

**Surveys**
Available on the RCPA website www.rcpa.edu.au will be an electronic survey for all delegates to complete.

**Disclaimer**
Details provided in this brochure are for information only and are expressly excluded from all and any legal document. To the best of the knowledge and information of the RCPA and its representatives, all facts, information and figures contained in this brochure and attachments are true and accurate at the time of printing. The RCPA reserves the right to make any changes to topics, contents and presenters as it may deem necessary, without prior notice and disclaims, to the fullest extent permitted by law, all and any liability to any person, persons or organisation either directly or indirectly.
Pathology Update 2014 Partners

Major Partner

Sonic Healthcare

Sonic Healthcare is an international healthcare company focused on delivering quality, independent services in medical diagnostics and multidisciplinary medical practices.

Our Services include:

- Pathology
- Radiology
- Medical centres
- Occupational and insurance medical services
- Clinical trials
- Food and water testing

Our company is structured as a decentralised federation of medically-led practices, with our head office located in Sydney, Australia. We employ 26,000 people in Australia, New Zealand, the United Kingdom, Germany, Switzerland, Belgium, Ireland and the USA.

We are recognised for our dedication to our staff, our quality and services excellence.

Contact Details:
Address: 14 Giffnock Avenue, Macquarie Park NSW 2113
Tel: 61 2 98 555 222 | Fax: 61 2 98 555 111
Web: www.sonichealthcare.com

APP Partner

Siemens Ltd

Siemens Healthcare is one of the world’s largest suppliers to the healthcare industry and a trendsetter in medical imaging, laboratory diagnostics and medical information technology. Siemens in Australia and New Zealand is committed to provide innovative solutions for accessible, high quality and preventative healthcare, now and in the future.

Contact Details:
Name: Michael Meyer
Address: 885 Mountain Highway, Bayswater VIC 3153
Tel: 61 2 9491 5937
Email: michael.mime.meyer@siemens.com
Supporting Partners

BDO
BDO is one of the largest full service accounting and advisory networks in Australia and globally. We excel at creating strong relationships with clients who are seeking a combination of technical excellence with a specialised range of services and a desire for outstanding client relationships.

Contact Details:
Name: John Bresolin
Address: Level 11, 1 Margaret Street, Sydney NSW 2000
Tel: 61 9251 4100 | Fax: 61 9240 9821

Web: www.dorevitch.com.au
Healthscope Pathology

Healthscope Pathology’s goal is to lead the way in providing superior pathology services to health practitioners and their patients.

Our focus is to deliver a prompt and professional service through our team of specialist pathologists, dedicated scientific team and reliable operational staff.

We specialise in:

- General Pathology
- Molecular & Advanced Pathology
- Pharmacogenomics & Cytogenetics
- Functional Pathology
- Commercial Pathology

Contact Details:
Name: Sales & Marketing Department
Address: 1868 Dandenong Road, Clayton VIC 3168
Tel: 61 3 9538 6777 | Fax: 61 3 9538 6778
Web: www.healthscopepathology.com.au

Norton Rose Fulbright Australia

Norton Rose Fulbright's global life sciences and healthcare team advises a range of innovative pharmaceutical, medical device and biotechnology companies as well as investors in the sector. We provide cutting-edge advice on the full range of legal issues that arise in the sector, from regulatory and compliance strategy through to patent litigation and corporate transactions.

Contact Details:
Name: Bernard O’Shea
Address: GPO Box 4592SS Melbourne VIC 3001

Abbott Laboratories

Booth Number: 30 - 31
Abbott Diagnostics goes beyond tests and instruments; we can offer you a solution from consulting and informatics to customised automation, we’ll work with you to develop the right business solution.

Abbott Molecular- an emerging leader in molecular diagnostics. We assist in earlier diagnoses of disease, selection of appropriate therapies and improved monitoring of disease progression

Contact Details:
Name: Vicki Neal (Diagnostics) / Gideon Sauer (Molecular)
Address: Suite D, 31-33 Sirius Rd, Lane Cove NSW 2066
Tel: 61 2 9857 1111 | Fax: 61 2 9857 1122
Email: Vicki.Neal@abbott.com / Gideon.Sauer@abbott.com
Web: www.abbottdiagnostics.com.au

AstraZeneca

Booth Number: 2
AstraZeneca Australia, based in North Ryde, Sydney, is the largest pharmaceutical company operating in Australia. AstraZeneca employ almost 1,000 people, are one of the country’s largest manufacturers of medicines and are a key exporter to 35 international markets.

AstraZeneca manufactures 100 separate product lines, namely sterile respiratory and local anaesthetic products. Of the top twenty medicines used in Australia, four are made by AstraZeneca. AstraZeneca produces medicines in six separate therapeutic areas including cancer, cardiovascular, gastrointestinal, infection, neuroscience and respiratory inflammation. AstraZeneca contributes significantly to clinical trials in Australia with approximately 30 concurrent trials in 190 sites across the country.

Contact Details:
Address: 5 Alma Road, North Ryde NSW 2113
Tel: 61 2 9978 3500 | Fax: 61 2 9978 3700
Web: www.astrazeneca.com.au

Beckman Coulter - Pathology Update 2014 Major Partner

Booth Numbers: 16 - 18
Beckman Coulter develops, manufactures and markets products that simplify, automate and innovate complex biomedical testing. For more than 75 years, Beckman Coulter’s products have been making a difference in peoples’ lives by improving the productivity of medical professionals and scientists, supplying critical information for improving patient health and reducing the cost of care.

Contact Details:
Name: Moira Rooney, Product Manager
Address: 23-27 Chaplin Drive, Lane Cove NSW 2066
Tel: 02 9844 6000 | Fax: 02 9844 6096

Web: www.beckmancoulter.com
BD

Booth Number: 35 - 36

BD is a leading global medical technology company that develops, manufactures and sells medical devices, instrument systems and reagents. The Company is dedicated to improving people's health throughout the world. BD is focused on improving drug delivery, enhancing the quality and speed of diagnosing infectious diseases and cancers, and advancing research, discovery and production of new drugs and vaccines. BD's capabilities are instrumental in combating many of the world's most pressing diseases. Founded in 1897 and headquartered in Franklin Lakes, New Jersey, BD employs approximately 28,000 people in approximately 50 countries throughout the world. The Company serves healthcare institutions, life science researchers, clinical laboratories, the pharmaceutical industry and the general public.

Contact Details:
Name: Sandra Viladecas
Address: 4 Research Park Dr, West Ryde NSW 2113
Tel: 61 2 8875 7029
Email: sandra_viladecas@bd.com
Web: www.bd.com

Cirdan Ultra & Cirdan Imaging

Booth Numbers: 23 - 24

Cirdan Ultra Limited is a world leading provider of laboratory information management systems. The Ultra laboratory system is installed widely across Australia, APAC, North America, and Europe.

Cirdan Imaging Limited is engaged in the design, manufacture and supply of innovative medical imaging technology for the diagnosis and management of disease.

Contact Details:
Name: Dave Crockett
Address: Unit 4 Crescent Business Park, Ballinderry Road, Lisburn, BT28 2GN, Northern Ireland
Tel: 61 2 4036 3075

Web: www.cirdanultra.com & www.cirdanimaging.com

Cleveland Clinic Abu Dhabi

Booth Number: 25

Cleveland Clinic Abu Dhabi is a world-class multispecialty hospital, currently under construction in Abu Dhabi, UAE. This 364-bed facility will be an unparalleled extension of the Cleveland Clinic model of care, specifically designed to address a range of complex and critical care requirements unique to the Abu Dhabi population.

Contact Details:
Name: Joe Friz, Director, Clinical Recruitment, Cleveland Clinic Abu Dhabi
Address: P.O. Box 112412, Abu Dhabi, United Arab Emirates
Tel: Office: +97124108303 | Mobile: +971506161592
Email: frizj@clevelandclinicabudhabi.ae
Web: www.clevelandclinicabudhabi.ae
Diagnostic Solutions

Booth Number: 32
Diagnostic Solutions is a leading supplier of high quality, innovative systems for diagnostic pathology laboratories across Australia and New Zealand. View a demonstration of the Immuno Concepts Image Navigator®, an automated immunofluorescence system.

Address: 46 Albert Street, Preston VIC 3072
Tel: 61 3 8470 5400  |  Fax: 61 3 8470 5490
Australia: 1300 788 003
New Zealand: 0800 448 018
Email: info@diagnosticsolutions.com.au
Web: www.diagnosticsolutions.com.au

Diasorin Australia Pty Ltd - Pathology Update 2014- Major Partner Sponsor of the Welcome Cocktail Party

Booth Number: 33 - 34
DiaSorin is a specialist supplier in the areas of immunoassay and molecular testing for the in vitro diagnostic market. DiaSorin offers a broad range of high quality assays that include comprehensive panels for each of the clinical segments in which it operates: infectious and viral diseases, management of bone and calcium related diseases, thyroid pathologies, oncology and endocrinology. On display at Pathology Update will be the new Liaison Iam with Q-LAMP technology for molecular testing of viral pathogens and oncohaematology markers.

Contact Details:
Name: Diasorin Australia Pty Ltd
Address: Suite 3, Level 3, 68 Waterloo Road, North Ryde NSW 2113
Australia: 1300 259 835
New Zealand: 0508 848 660
Email: sales@diasorin.com.au
Website: www.diasorin.com

FE Technologies Pty Ltd

Booth Number: 4
FE Technologies works with pathology labs to create a streamlined tracking process – with RFID samples can be read instantly at various points from sample collection to the laboratory. The incidence of misplaced samples will be drastically reduced, and a range of valuable reporting allows you to know exactly where any given sample is at any time.

Contact Details:
Name: Peter Ferendinos, Business Development Executive
Address: P.O. Box 318, Belmont VIC 3216
Tel: 61 1300 731 991  |  Fax: 61 1300 790 662
Email: enquiries@fetechgroup.com
Web: www.FETechGroup.com
Helena Laboratories

Booth Number: 19

Helena Laboratories (Australia) Pty. Ltd. has been providing electrophoresis supplies and haemostasis products to Australian laboratories for over 30 years. Whether you require protein electrophoresis or specialized platelet function testing, Helena offers a broad range of instrumentation and reagents. Our portfolio includes both stand alone and Point of Care instruments. We cater to the clinical, life sciences and vet laboratories. To supplement our products we provide specialist technical and consultative services to our customers. Helena Laboratories offers an extensive range of complimentary educational resources. Please call by our display to ask for any that may be of interest to you.

Contact Details:
Name: Joanne Mercuri
Address: PO Box 340, Mt Waverley VIC 3149
Tel: 61 3 9543 7299 | Fax: 61 3 9543 7542
Email: sales@helena.com.au
Web: www.helena.com.au

Hologic

Booth Number: 21

HOLOGIC is a global leader in the development, manufacture and marketing of products and services used in screening and diagnosis within the area of Public / Womens Health and Blood Banking. Our products and technologies cover molecular diagnostics, surgical, mammography and gynaecology to focus on providing better patient management.

Contact Details:
Name: Nicolle Trivett-Moore (Senior Manager, Sales and Marketing – Molecular Diagnostics)
Address: Suite 402, 4th Floor, 2-4 Lyon Park Rd, Macquarie Park NSW 2113
Tel: 61 2 9888 8000 | Fax: 61 2 9870 7555
Email: nicolle.trivett-moore@hologic.com

Howden Medical Books Pty Ltd

Booth Number: 40

Howden Medical Books has been a regular attendee at Pathology Update and this year is no different. We will have a wide range of pathology titles on display and this is a great chance to have a browse and buy a book or two. Our booth has moved from last year and we are now by the entranceway to the Hilton Hotel, but please check the floor plan if you have trouble spotting us.

Contact Details:
Name: Tim Leask
Address: 9 Irvine St, Mitcham VIC 3132
Tel: 61 1300 455 778 | Fax: 61 1300 644 310
Email: sales@howmed.com.au
Web: www.howmed.com.au
Illumina

Booth Number: 13

Advancements in our understanding of genetics have the potential to change the practice of medicine and enable genomics-based healthcare. With streamlined workflows and advanced informatics, Illumina sequencing and array technologies are allowing you to explore the genome in increasing detail. Leveraging genetic information in a clinical environment will lead to better patient care through personalised medicine.

Contact Details:
Name: Janelle Allen
Address: 1 International Court, Scoresby VIC 3179
Tel: 61 3 9212 9900 | Fax: 61 3 9212 9901
Email: jallen@illumina.com
Web: www.illumina.com

Integrated Sciences Pty. Ltd.

Booth Number: 3

Integrated Sciences is an Australian owned business that supplies both the Australian Diagnostics and Life Science markets. We specialize in Molecular Diagnostics, Immunology, Point Of Care and Genomics. “Our strategy is support” and we pride ourselves in offering quality products with the highest levels of technical support, service and performance.

Contact Details:
Name: Dylan Warby
Address: 54 Gibbes St, Chatswood, NSW 2067
Tel: 61 2 9417 7866 | Fax: 61 2 9417 5066
Email: dwarby@integratedsci.com.au

Leica Biosystems Pty Ltd

Booth Number: 26

Leica Biosystems is a global leader in workflow solutions bringing histopathology laboratories and researchers the highest quality, most comprehensive product range in anatomical pathology. With complete histology systems featuring innovative automation, Novocastra™ reagents and Surgipath® consumables, Leica Biosystems offers the ideal product for each histology step and high-productivity workflow solutions for the entire laboratory.

Contact Details: Leica Biosystems Pty Ltd
Name: Kevin Balzarolo: Clinical Diagnostics Manager - ANZ
Address: Unit 3, 112-118 Talavera Road, North Ryde NSW 2113
P O Box 526, North Ryde BC NSW 1670

Email: Kevin.Balzarolo@leicabiosystems.com
Web: www.leicabiosystems.com
Novartis

Booth Number: 22
Novartis is caring and curing. We are committed to the research, development and supply of medicines to prevent and cure disease, ease suffering and enhance quality of life. To find out more about who Novartis is, visit www.novartis.com.au.

Contact Details:
Name: Gary Maclachlan – Leukaemia Portfolio Lead
Address: 54 Waterloo Rd, North Ryde NSW 2113
Tel: 61 2 9805 3555

Olympus

Booth Number: 5 - 6
As a world-wide renowned manufacturer of microscopes, Olympus supplies high quality microscopes to the research and clinical markets with a range that provides industry leading optics and image clarity. Olympus provides equipment that covers a wide range from educational microscopes to the highest quality research grade confocal equipment, the breadth and quality of equipment makes Olympus a supplier of choice for any microscope or imaging requirement.

Contact Details:
Name: Warwick Dellow

Pixcelldata showcased by Perfekt Pty Ltd

**Booth Number: 20**

Perfekt is a solution provider offering end-to-end Digital Pathology systems. Our pedigree stems from IT integration. We simplify the complexity of a Digital Pathology initiative through our ability to offer everything from scanners, Collibio image viewing/management software, IT servers and storage, monitors, networking, quality assurance, LIS integration and implementation services.

**Contact Details:**
- **Name:** Craig Tamlin
- **Address:** 5 Nisbet Road, Applecross WA 6153
- **Tel:** 61 8 9364-8881
- **Email:** craig.tamlin@perfekt.com.au
Qiagen

Booth Number: 15

QIAGEN provides solutions from sample to result for companion diagnostics (oncology), infectious disease and transplantation testing, and detection of sexually transmitted diseases and latent tuberculosis. At QIAGEN, we strive to provide products that enable private and public facilities, hospitals and community clinics, and pathology and immunology labs to provide efficient and reliable diagnoses for patients based on clinical value.

Contact Details:
Name: Florence Aimonetti
Address: PO Box 169, Chadstone Centre VIC 3148
Tel: 1 800 243 800 | Fax: 61 3 9840 9888
Email: orders-au@qiagen.com
Web: www.qiagen.com

Randox Laboratories

Booth Number: 9

With over 30 years' experience, Randox provide the highest quality diagnostic solutions. Our product portfolio includes clinical chemistry and immunoassay analysers, multiplexing biochip array technology, high quality reagents, quality control material and the largest global EQA scheme in the world. The range also extends into life sciences and molecular diagnostics.

Contact Details
Name: Nicole McKeown
Address: 2/4 Charles Street, Parramatta NSW 2150
Tel: 61 2 9615 4640 | Fax: 61 2 9615 4644

Royal College of Pathologists of Australasia

Booth Number: 39

The Royal College of Pathologists of Australasia (RCPA) is present at Pathology Update 2014 to promote the RCPA Foundation, which is committed to funding initiatives that help us gain a greater understanding of the causes of disease and provide further research opportunities for trainees, scientists and fellows. Come along to the RCPA exhibitor booth during morning tea, lunchtime and afternoon tea (Friday and Saturday) to preview the new RCPA website. We will be showcasing RCPA Education Online's educational resources and the new virtual microscopy eCases library amongst other sections of the site. If you have any website related queries, let us answer it today or take this opportunity to provide your feedback or suggestions to us in person. The President of the RCPA is Prof Peter Stewart and the Chief Executive Officer is Dr Debra Graves. The College is a not-for-profit organisation. More information can be obtained from our website www.rcpa.edu.au

Contact Details:
Name: Eve Propper
Address: 207 Albion St, Surry Hills NSW 2010
Tel: 02 8356 5806 | Fax: 02 8356 5828
Email: evep@rcpa.edu.au

Roche – Pathology Update 2014 Major Partner - Internet Cafe

Booth Number: 41

At Roche, Innovating Healthcare is at the core of our business strategy through Leading Pathology Solutions and Supporting Patient Management. Our expanding knowledge and understanding of disease mechanisms leads us to deliver significant benefits to patients and healthcare professionals.

Please visit the Roche internet café and view and talk to the team over a coffee:

- Digital Pathology for slide scanning, data management and collaboration
- cobas® Pathology solutions for your laboratory, including our fully automated AMH assay

Roche will also provide a coin donation box at the coffee stand for anyone wishing to donate towards Lymphoma Australia.

Contact Details:

Web: www.abcam.com; www.sapphirebioscience.com
Sarstedt Australia  

**Booth Number:** 8  
Founded in 1961 with international headquarters located in Germany; the Sarstedt group employs almost 2,500 people and is a leader manufacturer of diagnostic, laboratory and medical products. Our range includes both equipment and consumables for use in pathology, laboratory, research, transfusion medicine, blood banking, hospital, pharmaceutical, forensic and industrial applications.  

**Contact Details:**  
Name: Justin Pickering  
Address: 16 Parkway, Mawson Lakes, SA 5095  
Tel: 61 8 8349 6555 | Fax: 61 8 8349 6882  
Email: info.au@sarstedt.com  
Web: www.sarstedt.com

Sequenom Bioscience  

**Booth Number:** 1  
Sequenom is committed to providing the best genetic analysis solutions for the research and molecular diagnostic markets.  

**Contact Details:**  
Name: Jeff Bryant  
Address: Level 6, CBCRC, 300 Herston Road, Herston QLD 4006  
Tel: +61 7 3088 1600 | Fax: +61 7 3088 1614  
Email: sales-asiapacific@sequenom.com  
Web: www.sequenom.com

Sysmex  

**Booth Number:** 28  
Sysmex is a frontrunner in lab technology. The Delphic LIS suite is a leading pathology system which meets the needs of all disciplines. A user-friendly, modern LIS, Delphic accurately streamlines the flow of information from pre-analytical to post-analytical, completed with electronic order front end and advanced reporting.  

**Contact Details:**  
Name: Noel Paggao  
Address: PO Box 26085, Epsom, Auckland 1344, New Zealand
